APPLICANT'S SUMMARY OF INTERVIEW

Mail Stop Amendment
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with MPEP 713.04, the following summarizes the substance of a telephone interview held on this date between the Examiner in charge of the application and the undersigned:

The Examiner agreed that claim 1 and its depending claims 2-4 distinguish over the art of record and has been unable to find better art. However, the Examiner indicated that claim 7 and its depending claims did not appear to distinguish over new art discovered in a search. The undersigned agreed to the cancellation of claim 7 and its depending claims, and a proposed examiner's amendment for par. g) of claim 1 to provide consistency in the language. Subject to approval of the Examiner's supervisor, the application may be allowed.

A favorable action is solicited.
